

THOMAS USCHI CHRIS & DAVID

solo show by **TILO & TONI**

Park Hotel, Amsterdam

opening: 19 september, from 7PM

special event during Open Gallery Night: saturday 23 september, 8 – 10 PM

The exhibition **THOMAS USCHI CHRIS & DAVID**, solo show by TILO & TONI opens on tuesday **19 september at 7pm** as a site-specific intervention of the artists inside the spaces of Park Hotel, Amsterdam on view until 22 october 2017.

The show is conceived to be a broad reflection on image and its common usage and consumption and is composed by 22 limited edition prints on Barytha paper, produced by the artists and presented for the first time on the occasion of the show.

On the one hand the work offers a view behind the scenes of TILO & TONI: interests, working methods, reference points, idols and tricks are revealed. On the other hand TILO & TONI remains loyal to their way of working: the focus is on a tension field between painting, photography, sculpture and a site-specific installation. TILO&TONI is working with a variety of set pieces and discourse particles from the fields of contemporary art, everyday culture, DIY aesthetics and art handicrafts. In order to live up to the specific place of its function and aesthetic, typical pictorial rhetorics of an hotel's entrance flow into pictorial considerations.

On **saturday 22 september**, from 8 to 10 pm, during the **Open Gallery Night**, promoted by Unseen, the artists will conduct a guided tour of the show and will be available to the public for a session of Q&A
